MEDonline reserves the right to take legal measures take their intellectual property rights against any infringement.

### **3. Information**

The site may contain opinions expressed by experts in a certain area until the content of the site has been consulted or extracts of press articles may be included. Such information only represents the opinion of the expert or the person consulted newspaper and is not necessarily the opinion of MEDonline or its client. MEDonline is not responsible for the accuracy or completeness of such information and opinions. The opinion of an expert only reflects the personal view of the expert in question and should not be construed as the opinion or responsibility of MEDonline. The site could also contain information regarding diseases, health, fitness, medicines and medical treatments. This is just information and not intended to replace advice that you get from your own doctor or pharmacist. This information is not intended for the diagnosis of any disease or physical discomfort, nor for prescription or use of medication that is presented on the site.

The site is not intended to be used for reporting health issues, side effects or product technical complaints, nor for asking technical or medical questions concerning any products. You should always consult your own doctor or pharmacist for this.

### **4. External links**

The site contains links to other websites and sources provided by third parties. These links are offered for information only and MEDonline has no control over the content of these

sites or sources and has no responsibility or liability for these nor for any damage or loss as a result of the use of these links. The use of a link between this site and a third-party site or source does not in any way mean that the content on the third-party website is approved by MEDonline or its client.

It is your own responsibility to take all precautions necessary to prevent your computer or (mobile) device from being damaged by viruses or other harmful technological means or through fraudulent break-ins by third parties.

#### **5. Personal data**

If you visit and use this site, MEDonline will process your personal data. Click on [this link](#) to read our privacy policy. In our privacy policy you will find your rights and our responsibilities with regards to the personal data collected through our site.

#### **6. Cookies**

The site uses "cookies". Some cookies are necessary to make this site available to you, and other cookies allow us to analyze the traffic and users of the site. A number of these cookies are perhaps require your prior permission. For additional information and to see which cookies we use, please refer to our [cookie policy](#).

#### **7. Collection and use of non-personal data**

The site will collect, process and use non-personal data gathered from questions throughout the site. Your answers to the questions will be anonymously stored, together with information of your specialty. These answers will be evaluated and used for analysis.

#### **8. Limitation of liability**

MEDonline will use all reasonable efforts to ensure that the information published on the site is accurate and current and reserves the right to change the content at any time without prior notice. However, MEDonline does not give any guarantee as to the accuracy or completeness of such information, nor do we guarantee that the information is up to date.

MEDonline does not accept any liability for:

- any damage as a result of inaccuracy or incompleteness with regard to information available on the site;
- any damage as a result of fraudulent interference from a third party, resulting in a change in the information or materials available on the site;
- and more generally; any damage, in any form whatsoever, as a result of (i) access or the inability to access the site, (ii) the use of the site, including bugs, viruses affecting your computer or any other property may infect, and / or (iii) value attached to information directly or indirectly presented on this site

The information and materials on the site are provided "in their current state" without any warranty or guarantee, be it implicit or explicit.

#### **9. Availability of the site**

By visiting the site you acknowledge (i) that it is technically impossible to keep the site free of defects and that MEDonline bears no responsibility for this; (ii) that the site is sometimes temporarily not available; and (iii) that the operation of the site may be adversely affected by incidents and / or matters beyond MEDonline's control, such as transmission and telecommunication connections between MEDonline and you and between MEDonline and other systems and networks.

MEDonline and / or our client may, at any time, change the site in whole or in part, or interrupt, temporarily or permanently, for maintenance work and / or for improvements and / or make changes to the site. MEDonline is not liable for any adjustment to, interruption of, or suspension of the site
